ADDITIONAL INFORMATION

The following **may be submitted as additional evidence of qualifications** and will be considered but are not required:

Additional transcripts beyond high school
Certificates of any additional training
Letters of recommendation or resumes

Each applicant who meets all basic requirements will be interviewed by an interview committee. The interviewers will consider: reliability, interest, attitude, judgement, cooperativeness, as well as other personal traits. Applicants will be selected for the available apprentice vacancies in the order of ranking resulting from rating of interviews.

It is the intent of this Committee, in perpetuation of the basic skills required in the construction industry, to comply with all Federal and State Standards required in the selection and placement of apprentice applicants. The recruitment, selection, employment, and training of apprentices during their apprenticeship, shall be without discrimination because of age, race, color, religion, national origin, sex, creed, handicap, marital status, ancestry, sexual orientation, arrest record, conviction record, or membership in the military forces of the United States or this State. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, Part 30, and all other applicable state laws.

TITLE: Electrical (Construction) Apprenticeship Program

TERM: Five (5) Years

TRAINING:

On-The-Job Training – Minimum 8000 Hours

Paid Related Instruction – Minimum 800 hours attending Paid Related Instruction. Classes are attended one full day (eight hours) every week for the first school year and every two weeks (2) during the remaining three school years.

Unpaid Related Instruction – Apprentices are required to attend a minimum of 200 hours of class instruction as designated by the Committee on their own time. This is usually accomplished in a night school setting.

WAGES:

The Electrical (Construction) Apprenticeship Program is divided into Six (6) Pay Periods. The wage at each level is a designated percentage of the Journeyworker Electrician's Base Wage Rate. Advancement to each subsequent level is determined by successful completion of the hours and training acquired.

COMPLETION:

Upon completion of the Appleton/Oshkosh Area Electrical (Construction) Apprenticeship Program, apprentices are advanced to Journeyworker Electrician status.

COMMITTEE JURISDICTION:

All of Waupaca, Outagamie, Waushara and Winnebago Counties; and portions of Marquette, Green Lake, and Calumet Counties.
